2025 NFFS SYMPOSIUM

PATRON DONATION OR PRE-ORDER

The National Free Flight Society publishes annual symposia to further the technical advancement of Free Flight modeling in all forms. Work on the 58th Annual Symposium is underway and this year's editor, Ken Bauer, has many well-written papers by various authors. To support NFFS by becoming a Patron, contribute $75 or more ($95 for Patrons outside of the US). All contributions above $45 are tax deductible on your federal tax return.

Our primary ordering system for Patrons and Pre-Orders will continue to be through the NFFS webstore. This process gives you the ability to pay with a credit card or via PayPal. There are no fees for these payment methods. For those who would prefer to send a check, you can do so by using the form at the bottom of this page.

In recognition of your support of NFFS, the name of all Patrons will appear on the Patrons page. If you would prefer to make your donation anonymously, select that option under **Recognition**.

Your donation supports NFFS's continuing effort to produce the world's premier annual Free Flight publication. Thank you in advance for your continued support of our hobby/sport.
