1. Osawatomie reserves the right to cancel our reservation if they get a paying customer. HAFFA has paid their fee for the April 7th Annual Indoor Contest, so it is confirmed.

2. Jan., Feb. & March to be announced

HAFFA meeting info from Tuesday night September 20 by Jeff Renz

We had a very calm evening to fly our planes at the school.

Everyone brought hand launch gliders, Dana, Wally, Lynn, Mike and Jack brought his rubber powered DYNAMOE. I brought my pusher powered KATANA flying wing.

We flew for about an hour and held the buisness meeting at the local sandwich shop (Jersey Mikes).

The next meeting will be at 7 pm third Tuesday October 18th. We will give a brief overview of freeflight airplanes to the Commemorative Airforce Members. So bring a model if you so desire. This hangar is located on the east side of the runway towards the north end of the field. Here is the website http://kcghostsquadron.squarespace.com/contact. If you went to see the B29 fly out last summer that is were the meeting is held. - *See Announcement on next page for details.*

Heart of America Free Flight Association

HAFFA – August Meeting - 8/16/2011 by Danna Field

Attending: Mike Basta, Dana Field, Jeff Renz, Lynn Chaffee, Jack Vetter

Because the sun sets at approximately 7:30, we flew at the school first. Then had the business meeting at Lenny's Sub Shop at Black Bob and 141St in Olathe. Flying was good! But it gets dark early and quickly.
Meeting was called to order at 8:15

Old Business

1) President Mike Basta thanked us all for coming.
2) Minutes of the August meeting were read and accepted as read.
3) Treasurers report – no change from August.
4) Brochures – We have a rack with club brochures and contest flyers at the Hobby Haven.
5) Hats and shirts – The person Mike has been dealing with has been slow and unresponsive. He has a new source that seems a better bet. There is a one time setup fee of $77 for digitizing our logo. Then shirts and hats with embroidered logos would be $13 for short sleeve with pocket, $16 for long sleeve with pocket, and $8 for hats. It would be a little extra for 2XX size and up. They could probably have them ready for our contest. A motion was made and passed to have the club pay for the setup charge.
6) Outdoor contest in Marion – Everything is in place. There is possibly a junior coming from Columbia, MO to fly P-30.
7) School/Club attempts – Mike Schmidt to report on progress at next month's meeting.
8) The next meeting (10/18) will be at Heart of America Chapter of the Commemorative Air Force hanger at New Century Air Port. The address is 6 Aeroplaza, New Century, Kansas, which is the old Olathe Naval Air Station. The hanger is on the east side of the north end of the runway.

New Business

1) Downtown air show – Jeff Renz has a contact to get us a booth for next years show.
2) Indoor flying is to begin at Osawatomie on Sept. 25.
3) The indoor contest for next April is going to be held in Osawatomie. Gary Hodson is the CD.
4) The November meeting will be back at the Johnson County Library on Mission Rd. I believe Emil Schutzel is to give a class on indoor prop making for neophytes like myself.

Meeting adjourned at 8:47.
