2012 Indoor Contest Results

The 2012 HAFFA Indoor Contest held in May was very successful. We had 8 participants including out of state entrants John & Tim Pakiz from Nebraska & broke even financially. Emil Schutzel presented a special award to Ed Maichel for his efforts in obtaining the Osawatomie flying site where the contest was held for the first time this year.
Emil Schutzel won the coveted HAFFA Indoor Championship this year in a hotly contested event. ***Congratulations!***
Mike Basta won the beautiful Annual Roger Schroeder Comet ROG trophy. ***Congratulations!***
The results of all the events are posted later in the newsletter.

Monthly meetings 5/8/12 & 5/15/12 by Dana Field

5/8/2012 – The meeting was sort of cancelled since only officers Mike Basta, Dana Field, Lynn Chaffee, and one other person showed up. The other person was Wally Freeburg, who wasn't even a member at that time. Wally actually joined, paid his dues, and is now a full fledged member. No discussions about the annual indoor contest, which was to be the next Saturday.

5/15/2012 – The first flying meeting of the summer, and the start of the HAFFA Outdoor Championships. Again, only four people showed up to what was a great time. Attending and competing were Mike Basta, Dana Field, Lynn Chaffee, and Jeff Renz. The weather was perfect, a very light breeze from the south with some down air and squirrely bumps making it interesting, and very little or no drift. Cat launch and HLG were flown for points in a spirited competition. In the cat launch, Lynn re-kitted his glider on the first flight with a 4 second flight, straight up and straight down, and spent the rest of the session test flying his new Half aWake, getting it trimmed for June. Mike, Dana, and Jeff closely competed until the last flights when Dana put up a 41.6 second flight, and Jeff managed to pass Mike with a 33.7 to Mike's 30.6. The HLG was javelin launch by both Mike and Jeff, and again it went down to the last flight, with Jeff again catching Mike. Jeff's last flight was a 31.4, while Mike managed a 29.5. There should be a copy of the standings attached to this document. At the June flying meeting, June 19, we will have HLG, CLG, and Half aWake flying for points. The rules for the championship should also be attached, and stand as written since no one showed up at the meeting to comment or suggest changes.

Current summer schedule, meeting at the school field at 143rd & Black Bob in Olathe. Flying is from around 6:30 until dark, or we give up.
