Ghost Rider Contest

Cover Photo: Vistor—Carlos Rangel with his host Kevin McCue along with Rich Adams as they prepare for flights during the calm period of the day.

Typical clear blue skies set the tone for our October contest even though it was still a bit warm. Our record heat for the summer was holding on to the very end. I post the weather actuals (page 3) which are recorded just a couple miles from the field so they are pretty close. The sun reflecting off the soil intensifies the heat a bit. **Please remember to thank our veterans on Veteran Day November 11**. The editor

Prez Speaks

Our busy winter season is approaching – the December Arizona Free-flight Championships and the January Southwest Regionals. Your PMAC and SWR boards are at work! We have had one Zoom meeting already and there was another 30 October. The main effort has been with the schedule of freeflight events, the entry forms and the new 75th anniversary logo. There will be shirts with the new logo, free for those preregistering. The ordering/size info is on the preregistration form. These forms and complete information about the contest is available on the swregionals.org website.

The flyers for the December contest will be on the freeflight.org website, look for the flyers and look at the PMAC newsletter for complete information.

Our next monthly contest will be the Armed Forces Memorial on November 10th. Richard Adams will be the CD. See you there!

Ghost Riders CD Report

The weather report was good except the recent high temperatures continued. Light winds and many thermals resulted in many maxes – 37! By early afternoon the temperatures reached 98 and the contestants began to fade, but the club stalwarts continued on!
