FIRST JOINT M.I.A.M.A./P. & R. DEPT. CONTEST IS BIG SUCCESS. June 25th, Youth Fair.

Chris Christman and Sharon Althouse publicized our last meet better than any King Orange! We had a photo story on Page 1 of the Miami News, a story with a three column headline in the Herald, and a photo story in the Gables Guide. Advance notices appeared in the Herald, and were heard on three different radio stations. With this sort of advance and coverage, the Park and Recreation Dept. should have a fine turn out for the contest season this Fall.

EIGHT CONTEST INDOOR MONTHLY FLYING SEASON PLANNED. For those who do not know as yet, the Metropolitan Dade County Park & Recreation Dept. is sponsoring 8 monthly indoor contests starting next Oct. 15th at the Youth Fair. Also planned are informal, non contest fly-ins for learning the indoor art. The contests will be divided into 3 age groups, and 7 different types of planes. Literature about the details will soon be available. Call Dr. Martin 448-6329 for plans.

THREE DATES ~~TO~~ NOTE ... The PRE-CONTEST SEASON WARM UP ... YOUTH FAIR

SUNDAY, AUG. 27th -- TENTATIVE FLY-IN 10:00 a.m.
SUNDAY, SEPT. 10th - LAST PRE-SEASON CONTEST WITH TROPHIES 10:00 a.m.
SUNDAY, SEPT. 24th - PRE-SEASON FLY-IN 10:00 a.m.

Since the National Guard is occupying the Youth Fair for both Democratic and Republican conventions, it is unavailable now. They are due to leave Aug. 26th but may stay longer, hence the AUG 27TH DATE IS TENTATIVE. CALL 448-6329 on Saturday for GO or NO GO.

A FUN EVENT--THE CHALLENGE CUP. This is an unofficial event where everyone builds the same, simple aircraft and competes on a winner-take-all basis. Last month 8 people built Bill Hannan's Escondito Mosquito. THIS WILL ALSO BE THE CHALLENGE for Aug. 27th. Plans available FREE at Orange Blossom. They are also getting in new indoor kits and supplies. WE now have giant pewter lidded tankard challenge cup that will be engraved and awarded each month to be kept until the next meet. Stock wing mounts!
