## MORE RECORDS FALL AT CONTEST # 7

4/15/73 - Despite blustery winds outside JFK Gym the air inside proved boyant enough for four flying records - Penny Plane, Endurance, Glider, and Peanut Scale. Gary Myers Little Peanut MO-1 flew 3 flights over a minute for a 3:08.8 total. John Arthur put his glider into the girders twice for a 61.3 sec. record, and Jim Stewart shattered the Old Penny Plane record by almost a minute with a great 5:55.0 sec. flight. One other record was set when Fulton Hungerford scored the most appearance points when his twin engined Wright Biplane got 30.5 points. Don't ask me how but it took off the ground on those sled runners (no wheels) and flew for 33 seconds. Karl Gebhart flew his original Rearwin scale model well enough to beat brother Kurt's vintage Corbin Superace in Junior Scale. Hungerford flew replicas of the first American Airplane and the first European Airplane. Bill Hiscock is wondering what you have to do to win around here, as his beautiful Stinson Reliant flew 52 seconds in Scale, and his little WACO biplane averaged over 40 sec. in peanut and be still finished last in both events. He needs 3 views of these ships. Wait till next YEAR!

MANY TITLES TO BE DECIDED IN LAST CONTEST - Its back to the Youth Fair for meet #8 on Sunday, May 27 from 10:00 to 5:00. Gary Myers can stay home and still win the Indoor Championship, but Jim Stewart only has a one point lead on John Martin for runner-up. Rick Myers has a 2 point lead on Steve Gove for Jr/Sr Championship. EASY B CLASS is still up for grabs with Gary Myers leading Jim Stewart by one point and John Arthur by 2. PENNY PLANE is also close with Gary Myers leading JimStewart by one point. The Junior-Senior Classes are even closer-- the only one "for sure" is Rick Myers in Penny Plane This is Jim Rice & Tom Cooney's last chance to eliminate the zero in annual points - besides its a long time to next October so come out all you flyers for a big finish!!

LET'S MAKE THIS OUR BIGGEST CONTES

NEXT YEAR - 8 more Contests!

We've been informed by Recreation Director Bob Fankhauser that the Park and Recreation Department will sponsor an eight contest season next year similar to this year's contests. There will be one new event for Juniors only. A class for stick models built from commercial kits. Delta Dart, AMA Cub, Jetco R.O.G., testor's R.O.G., Comet stick, Skeeter, Sleek Streak, and all other stick kits, sheet or tissue. As a result of our club meeting on April 8 we have the following officers for next year:

President - Dr. John Martin

Secy-Treas - Gary Myers
Contest Director - Bob Myers
Corresponding Secretary - John Arthur
Membership chairman & Public Relations - Jim Rice

Most members enjoyed this season, so next year is more of the same. We will add some features like a postal contest with clubs in New Jersey and California plus more fly-ins between contests.
