Contact Jim at 585-298-0239 or jrdetar@yahoo.com

Part of the
National Warplane Museum Series
of
Outdoor Free Flight Contests

Rules for Empire State Free Flight Championships:

1. Proof of AMA membership required for all contestants and casual flyers. MAAC cannot be accepted as MAAC no longer insures flying activity in the US.
2. Combined FAC & SAM Old Time Rubber Stick and Fuselage:
   Wing Area < 150 square inches.
   First three flights, 2-minute max or reduced contest max set by CD.
   Folding propellers allowed.
   Winner of ties will be determined by unlimited flyoff.
3. Bungee glider: 36" or less wingspan, to be launched from a bungee consisting of 75 feet of line and no more than 25 ft. of 1/8" rubber (single strand), attached to a pole or stake fixed to the ground. Three qualifying flights of 60 seconds, fly offs in increments of 30 seconds. If you wish to safeguard your bungee do not leave it on the field when not actually in use. Contestants to provide their own launcher.
4. National Cup – Electric A, Electric B and E-36 will be reported.
5. FAC Golden Age Mono and Multi Wing Combined: 15 points added to total flight score for multi wing models. FAC Golden Age Mono and Multi Wing will be run as separate events if there are sufficient flyers for both events.
6. This is a mass launch event for FAC Thompson Trophy and Greve models. Both Thompson and Greve events will be held if sufficient entries are available for both events. National Air Race models are not allowed in this event
7. FAC Simplified Power Scale is an unofficial FAC event but is Kanone worthy. Rules are posted on the FAC web site.
8. These FAC event will be flown best 3 of 6 flights
9. From the AMA 2024-2025 Rule Book: A Mulvihill rubber model has no design restrictions except that the projected area of the wing shall not exceed 300 square inches. Takeoff gear is not required. Launching shall be as specified for land plane or seaplane models, FF General.

Just a few more important notes:

FAC events will be flown to Current FAC rulebook unless otherwise noted

Max times are subject to CD's discretion based on field conditions

Check in at CD's table for latest in field rules
