FIXIT WRIGHT

TAILSKID TALBY

"TAILSKID" TALBY IS THE KIND OF A MODEL BUILDER WHO JUST CAN'T BE BOTHERED BUILDING A PLANE RIGHT. "WHAT THE HECK— A GOOD PAINT JOB WILL COVER UP ALL THE MISTAKES ANYHOW" HE THINKS, "SO WHY BE FUSSY?" ON THE OTHER HAND "FIXIT" WRIGHT KNOWS THE PAINT JOB ISN'T WHAT MAKES A MODEL FLY. THROUGH PATIENT HOURS OF WORK AND CAREFUL STUDY OF THE PLANS, HE TURNS OUT SOME BEAUTIFUL FLIERS AND HAS CAPTURED SOME WORTH-WHILE HARDWARE.

GEORGE HELW

WHATA' YA WASTIN' YOUR TIME FOR STUDYIN' THOSE PLANS. YOU KNOW HOW TO BUILD A PLANE, DON'T YA'?

YOU'D DO BETTER IF YOU'D READ YOURS. THERE ARE PLENTY OF DETAILS THAT MEAN A LOT WHEN IT COMES TO FLYING THESE PLANES.

FLYIN' HE SEZ! AT THE RATE YOU'RE GOING, YOU'LL NEVER FLY IT. I'LL HAVE MINE DONE IN NO TIME.

THERE THE WING IS COVERED AND SPRAYED. I'LL JUST LAY IT ON THIS RADIATOR AND DRY IT IN A HURRY!

SURE, TAILSKID NEVER WILL LEARN THAT A NEWLY DOPED WING ON A NICE HOT RADIATOR CAN TURN A GOOD JOB INTO A PRETZEL!

I'LL HAVE THIS PLANE IN THE AIR BEFORE YOU'RE HALF FINISHED!

IN THE GROUND YOU MEAN!

"FIXIT" IS RIGHT— LOOK AT THE WARP IN THAT WING!

YOU'RE MAKING A BIG MISTAKE LEAVING THE WARP IN THAT WING, TAILSKID!

G'WAN, I BUILT PLENTY OF PLANES!

BUT THEY NEVER FLEW.

LATER AT THE FIELD!

O-K, LET 'ER GO!

BOY IS HE IN FOR A SURPRISE!
