The Lone Star Squadron and Alamo Escadrille Present the:

FLYING ACES FALL FLIGHTFEST

24-25 October 2026

Held in conjunction with the
Texas Cloud Climbers "TCC Annual" Meet

At the Hamilton Municipal Airport, Hamilton TX 76531

(Located off of FM3302, South of Hamilton on Highway 281)
This is an active airport. Do not drive on main N/S runway. Take care not to damage runway lights that may be hidden by grass. No models are to be launched when full scale aircraft are active in the area or on the runway.

Entrance Fee: $20.00 to Texas Cloud Climbers at event
AMA Membership Required (registration available at field)

Notes:
- Bring everything you've got - if three folks want to fly an event we'll take times and score it up!
- Flying hours: 0800-1700 Day 1, 0800-1400 Day 2
- PPLC will be on the honor system – by entering times you affirm your model meets PPLC
- CD retains discretion to allow hand-launch for OTRF, 2-Bit, and Embryo based on WX
- Stooge winding for Mass Launch events will be at the discretion of the CD
- RDT (Remote DT) allowed, NO FUSE DTs!
- FAC timed events can be flown either day but once started must be finished the same day

1) All events combined (JSA) except as noted for Juniors.
2) Motor bikes allowed for retrieval. HELMETS REQUIRED.
3) Valid AMA license required. May be purchased at field. TCC will pay for first year Youth license.
4) A liability release form must be signed during registration.
5) Timing of Flights: All flights must be recorded after each flight.
6) For NATIONAL CUP scoring, different classes can be flown in combined events but only the first event flown score will count in contest event placing. All scores will be submitted for NATIONAL CUP points.
7) Jr Combo can be flown either day. Flights in each event must be completed the same day.
8) No fuse dethermalizers will be allowed. We cannot risk fires, also, smokers must use extreme caution with cigars and cigarettes.
9) ¼ A Nos – 9 sec engine run, .020 Replica 12 sec engine run. Flyoffs – same engine runs – 2 min maxes.
10) To limit long chases, first three flights – 2 min maxes. Flyoffs – increase max by 1 min each additional flyoff flight.

SATURDAY EVENING DINNER: We will meet for evening dinner at a local restaurant. More details at registration on Saturday.
